Eastlake, Ohio 44905-4003

e-WIX Repository Services Optional Features

The e-WIX Repository Services Optional Features are additive to your basic service and include:

Advanced Search: This feature provides the ability to perform multiple searches for multiple documents within an expanded "Find" area. Advanced Search also provides the added ability to search indexes with a variety of choices such as; contains, begins with, ends with, greater than etc.

User Edit: This feature allows users to edit indices for any document archived within e-WIX. This option also includes viewing an Event Log that tracks the access of each document.

Please specify which feature and quantity you would like added to your service.

Add qty of _____ users to have Advanced Search at \$30.00ea/month additional

Add qty of _____ users to have User Edit at \$50.00ea/month additional

Please return this addendum to Lisa Sutton at the address listed above.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the last date shown below.
